What is the Leadership and Management Programme?

The programme, funded by the Learning and Skills Council, is specifically aimed at business owners/managers responsible for the direction of an organisation, including private, franchise, public and voluntary bodies employing between 5 and 249 staff.

Each business can benefit from up to £1,000 of grant support. The first £500 does not require any contribution from the employer and a subsequent £500 is available if 'match funded' by the employer. Therefore, you could spend up to £1,500 and be refunded £1,000!

How to qualify

To be eligible for the programme your organisation must:

- Employ between 5 to 249 people
- Be based in England
- Not already have received Leadership & Management funding support (under Train to Gain)
- Training delegates must be from an EU country, or have lived in an EU country for the last 3 years

How it works

- Select a training course from the UTalkMarketing website
- Email us with details of where your business is based and we will reply with the relevant details for your region
- Complete and email the referral form for validation at least 14 working days prior to the training event date
- Train to Gain will confirm your eligibility (usually within 3-4 working days)
- Book and pay for your selected training course on the UTalkMarketing website
- The LSC Project Executive will reimburse you up to a total of £1,000 no later than 4 weeks after the training occurs
